An introduction to training services from Citizens Advice Reading

About our training

As a trusted and established training service, we have been offering courses to a wide range of organisations for over 10 years both in our training venue in Reading and at client's locations.

Our courses cover a number of different subjects and soft skills specifically aimed at **front line workers** who provide information and advice to clients as well as courses for **managers** from all organisations who want to develop their skills in managing their staff more effectively.

About our courses

We offer an open programme of courses all year round as well as tailored courses for organisations in house.

Open programme - For our open programme of courses see our website for course dates.

Tailored / In house courses - If you are interested in a tailored / in house course please contact us on training.services@citizensadvicereading.org for a discussion and a quote.

All our training includes case studies, exercises and where appropriate online tools using laptops. We provide take away materials for each course to support ongoing learning.

About our trainers

We are a professional team of trainers who have had many years of direct experience of working both in the advice sector and in Human Resource Management. We have worked and trained in both charity and commercial organisations and are committed to providing up to date, relevant and practical training.
